Subject : Recommendation Letter

To Whom It May Concern,

It is with great pleasure that I, Dr. Syamsurizal, S.E., M.M., Director of Politeknik Negeri Jakarta (PNJ), provide this recommendation letter in support of Saffyna, a student of our Information Technology and Computer Engineering Department at Politeknik Negeri Jakarta, for his application to participate in the International Internship Program at HOPE International Economic Cooperation, Wuhan, China.

During his studies at Politeknik Negeri Jakarta, Saffyna has demonstrated responsibility, discipline, good communication skills, and a strong willingness to learn. He is also able to work effectively both independently and as part of a team, and has shown adaptability in interacting with people from diverse backgrounds.

We believe that this international internship will provide Saffyna with valuable practical experience, enhance his professional and cross-cultural skills, and broaden his understanding of international working environments.

Therefore, I am pleased to recommend Saffyna for this program. I am confident that he will participate responsibly and represent Politeknik Negeri Jakarta positively throughout the internship.

Should you require any further information, please do not hesitate to contact me.
